# Packing List

You will be traveling to BOA in warm-ups and dinkles.

## A luggage check will take place Friday Night!

Once luggage is checked, students will not have access to it until we arrive at the hotel. So make sure anything you need Saturday morning goes into your band bag. Band bags will travel with you on the bus.

### Additional Items to be placed in your band bag:

Gloves                      This Tour Book                      Spending money for concessions  
 Homework or anything you may need to work on during “down” time at the competition

### Items to be placed in your suitcase:

Clothes for Sunday                      Pajamas                      Cell phone charger  
 Hotel snacks                      Toiletries                      Sweatshirt  
 Whatever you will want at Magic Mountain  
 \*Spending money                      \*Water bottle

\*We will have 1 all-you-can-eat private meal provided for us inside Magic Mountain. We’ve been told you can fill your water bottles with beverages before leaving the private area and heading back into the park. **You will also want additional spending money for any other meals, snacks, or souvenirs at Magic Mountain.**

### The following items are NOT allowed on the trip:

- Boom Boxes or any type of stereo that has external speakers
- Expensive jewelry
- Gaming system (PS3, Pong, Atari) or other game device that plugs into a TV
- **ABSOLUTELY no alcohol, recreational drugs and/or drug paraphernalia, tobacco products, vaping kits...if in doubt, DON'T PACK IT!**

# Hotel Rules

- When we are at the hotel, students may not leave the hotel grounds.
- During free time at the hotel, room doors must remain propped open. Pillows, suitcases, chairs, etc. work well to prop open doors.
- Students should be respectful of any guests at the hotel who are not part of MER, staying clear of their rooms and giving them space in the elevators/hallways/ breakfast areas.
- If the hotel has room balconies, or patios, the door/window is to remain closed at all times. No students are allowed on patios or room balconies. No throwing items out windows.
- When it is “lights out” time at the hotel we will “tape” students in their rooms. Once they are taped in, they may not leave the room. If they have an emergency, they should contact Ms. McMahon or one of the chaperones. Every morning, we will stop by the rooms, ensure everyone is awake, and un-tape the doors. If the tape is broken before we un-tape the room, those students will be referred to Mrs. Marin for consequences. If students accidentally exit the room while it is taped, they should immediately call one of the chaperones.
- Students must keep their things organized while in the room. When it’s time to pack up, they must check all outlets for phone chargers. Students should check restrooms and room for all belongings.
- On the morning of the last day, we will be doing a room check before we leave the hotel. At the time of the room check, all students who stayed in that room must wait for a chaperone to check the room. Here is what we are looking for;
  - All trash is picked up, and the room is not damaged in any way.
  - All furniture is put back the way it was when you arrived.
  - Leave all drawers and closets open so we can quickly check to make sure they are empty.
  - If all of the above is not done, we will go to the other rooms and return to their room at the end to check again. Students must wait in the room until we dismiss them.
- No orders for food delivery!
- Absolutely no pranking will be tolerated! This includes, but is not limited to, putting shaving cream on people, hiding personal items belonging to other people, or taping people or their belongings.

# Possible Consequences

- Students may be told to wait on the bus while the other students have free time or tour an attraction.
- Students may be told to stay with one of the chaperones or Mrs. Marin during free time.
- Parents may be asked to pick up their students from the trip at their expense.
- Breaking a rule that is also a school rule could also result in consequences with EHS administration upon return.

## General Rules

- This is a school trip. All school rules apply. All Etiwanda High School dress code and behavior rules must be followed. It should go without saying that smoking (cigarettes, e-cigarettes or recreational drugs), consumption of alcohol and/or drugs of any kind are not allowed. Breaking this rule will result in student being sent home immediately at parent's expense.
- Your student is representing the Etiwanda MER Program. All of the character and integrity that Mrs. Marin expects at tournaments and other band events should be repeated here. The band program has a professional reputation worldwide. Let's keep it that way.
- While on this trip, whatever Mrs. Marin, Ms. McMahon, or any other of the chaperones directs students to do, they must do. In a given situation we may not have time to explain why we are asking them to do something because of safety or other reasons. It is important that they follow our directions without argument.
- If students are "on time" they are late!
- Students may never go any place alone. When given time to go on their own they must have another student with them. This is an important rule for their safety.
- If couples are on the trip they can "hang out" together and sit next to each other at events or performances, but they must show discretion. Couples may not sit together on the bus. Kissing, hugging, and other forms of PDA as defined by Mrs. Marin are not allowed. Not following this rule will result in the couple being separated during the trip's activities.

## Junior Staff

- They may be needed by Ms. McMahon or one of the other chaperones to communicate important information (i.e. schedule updates, meal changes, etc) to the members of their section. If asked to do they must make sure they speak to each member of their section individually. They should not tell one member of their section to "pass it on."
- We will need their help to communicate with us. If a member of their section has a problem, is injured, needs medical assistance, or is doing anything that is unsafe, they must communicate this information immediately to one of the chaperones.

## Medications

- Students taking prescription medication, must take responsibility to go to the medical chaperone's (Steven Patterson's) room to get their medication.
- Any medication that needs to be dispensed while we are away from the hotel will be taken with us and kept with the medical chaperone.
- If any student needs medical attention while traveling, at the competition, or hotel, they should contact a junior staff member or chaperone.
- If any student needs medical attention while at Magic Mountain they should contact the first aid station in the park. The medical chaperon will then be notified by the park.

## SUNDAY

8:30am—Wake up, eat breakfast, get ready for the day

10:00am—Leave hotel for Magic Mountain

10:15am—Arrive at Magic Mountain

10:30am—Magic Mountain opens

11:30am-1:30pm—Private lunch. Remember to bring a water bottle

6:15pm— Load buses to return to EHS

8:00pm—Arrive at EHS. Dismissed!
