

Etiwanda High School Bands and Color Guard Booster Club

Dear _____

I have recently earned a spot as a visual performer in the Etiwanda High School Indoor Percussion Program. This percussion ensemble has quickly risen to one of the top scholastic percussion programs in Southern California. In 2018 they were the bronze medalist at the 2018 SCPA (Southern California Percussion Alliance) Finals. Last year they placed 7th at the WGI World Championships in Dayton, Ohio.

More than just learning musical and performing skills, this program teaches teens important life skills such as discipline, personal responsibility, time management, and team work. We learn to persevere when things are tough and to stay humble when we come out on top.

Being part of the Etiwanda High School Indoor Percussion Program will cost \$900 this year. This amount covers such items as transportation, show design and music, equipment repairs, uniform, and instruction from personalized staff. I am sending you this sponsorship letter asking for your help to defray this cost. Etiwanda's Member Sponsorship Program is a way for others to help me pay for my participation in this award-winning high school percussion program.

Any amount you can give will help. And know that as a non-profit organization, your donation is tax deductible. Simply complete the bottom portion of this letter, detach, and return to the address listed below. The Treasurer will credit my account accordingly.

The Etiwanda High School Marching Eagle Regiment is an amazing, life-changing experience, and I thank you for your consideration to help.

In appreciation,
